

DEEPAL S07

DEEPAL S07 BORN TO OUTSTAND

Rise above the ordinary. Born to outstand,
the **DEEPAL S07** is a fearless e-SUV,
built to push beyond limits.

DESIGN BEYOND THE ORDINARY

W : 1.930 MM
H : 1.625 MM

2.900 MM
4.750 MM

FRAMELESS DOORS

Frameless doors with double glass
for a modern look and peaceful ride.

STARLEAF DAYTIME RUNNING LIGHTS

A futuristic lighting signature that captures
attention with precision and grace.

ELECTRIC FRAMELESS DOOR HANDLE

An intelligent handle that complements
the car's design.

LED STAR FLAME TAILLIGHT

Glow with confidence, leaving a lasting
impression on every road.

PREMIUM INTERIOR DESIGN

Step inside and feel the difference. From spacious seats to a panoramic view that feels like the open sea, you will find the comfort of a yacht in every drive.

YACHT-INSPIRED ELEGANCE

Where luxury meets spaciousness, Yacht-inspired gives an elegant touch in every detail.

PANORAMIC GLASS ROOF & ELECTRIC SUNSHADE

Brings natural light and openness, perfectly balanced with the ease of electric shading.

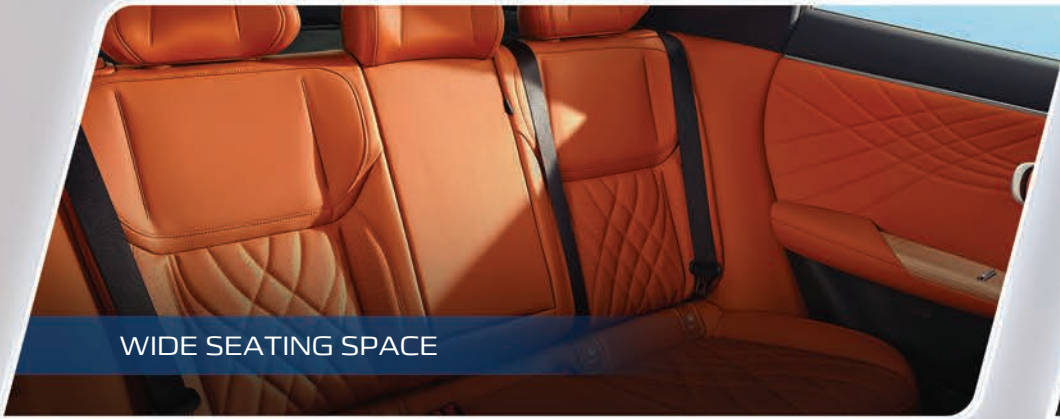

ONE SCREEN, EXTRA COMFORT

Control AC, sunshade, and passenger seat from one multifunction screen.

FLAT FLOOR

Better leg room, comfortable even for three people on second row.

WIDE SEATING SPACE

Designed for wide and spacious seating, making every journey comfortable.

INTEGRAL SEAT DESIGN

Experience premium and comfort, through high-density materials, headrest audio, and refined 3D detailing.

DEFINED BY INTELLIGENCE

Smart meets style in every detail. It's giving you a smoother, simpler and more personal way to move.

Key driving info projected directly on your view for a smarter and safer drive.

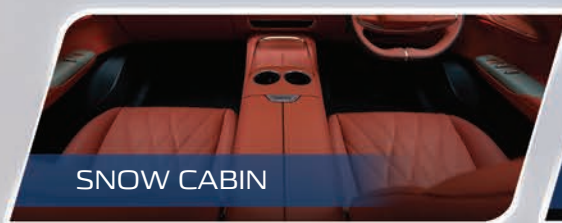

Supports left and right deflection by 15°, with a stepless angle adjustment for optimal viewing.

Control various features with high accuracy and continuous voice interaction.

SCENARIO MODE

Intimate, intelligent scenarios for your every mood, making each ride perfectly personalized.

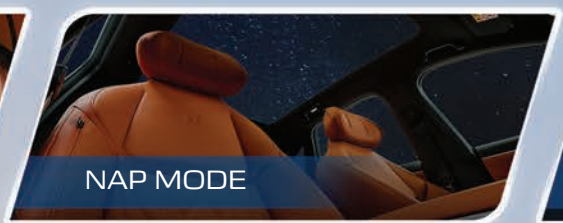

SNOW CABIN

Turn down the interior temperature and turn on seat ventilation that keep you relaxed.

CAMPING MODE

It is suitable for passengers to stay in the vehicle for a long time, providing you with a comfortable interior environment.

NAP MODE

Soothing music will be played, seats adjusted and an alarm clock wake-up service proposed to provide a calm short break inside the car.

CARWASH MODE

After it is activated, the car will automatically lock the charging port, closes the windows, wipers, and the trunk for a safe car wash process.

ULTRA POWER, ULTRA LOW ENERGY CONSUMPTION

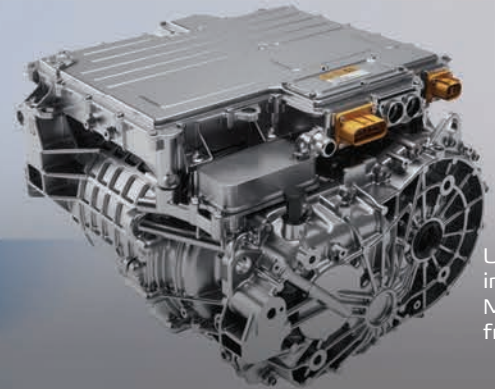

Long Range & Fast Charging*
Powerful and efficient long-range performance, complete with fast battery charging (30-80%) in less than 35 minutes.

**Power and range depend on the variant (see specification table for details).*

BORN TO GO FURTHER

Every ride feels smooth when performance and elegance come together.
With fast charging, long range and dynamic power, you are set to go further with confidence.

WORLD-CLASS ELECTRIC DRIVE SYSTEM

Up to 95% efficient
in turning electric into motion.
More than 10,000 times acceleration
from 0-100 km without degradation.

FAST CHARGING - LONG RANGE

Rapid charging 30% to 80% in only 35 minutes
with 560 km (NEDC) long-range battery built for real journeys.

**For S07 P models, charging can be as fast as 15 minutes.*

CONFIDENCE IN EVERY MILE

Advanced Driver Assistance System (ADAS) intelligently monitors your surroundings with collision warnings, lane assistance, blind spot detection, traffic jam assist, and driver fatigue monitoring to enhance driving safety in every journey, providing the most complete safety feature in its class.

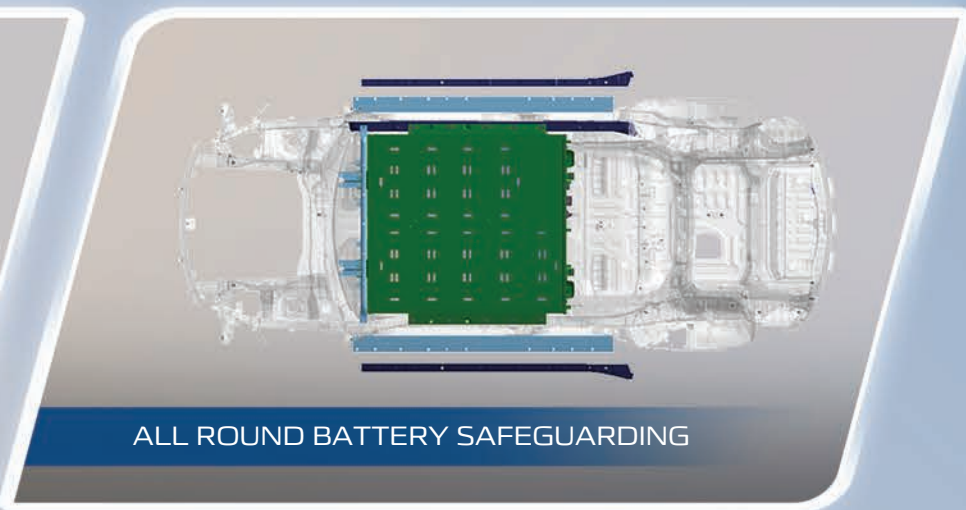

DRIVE WITH PEACE OF MIND

Feel safe, supported, and in control, no matter the journey. With smart protection surrounding you, driving becomes a truly effortless experience.

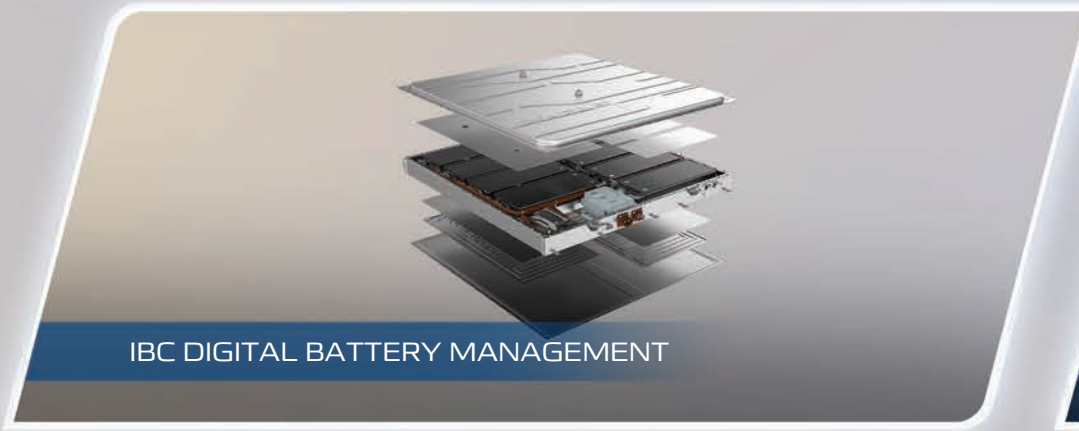

WRAP AROUND BODY

Five vertical and nine horizontal wrap-around body frame, providing complete 360° safeguarding.

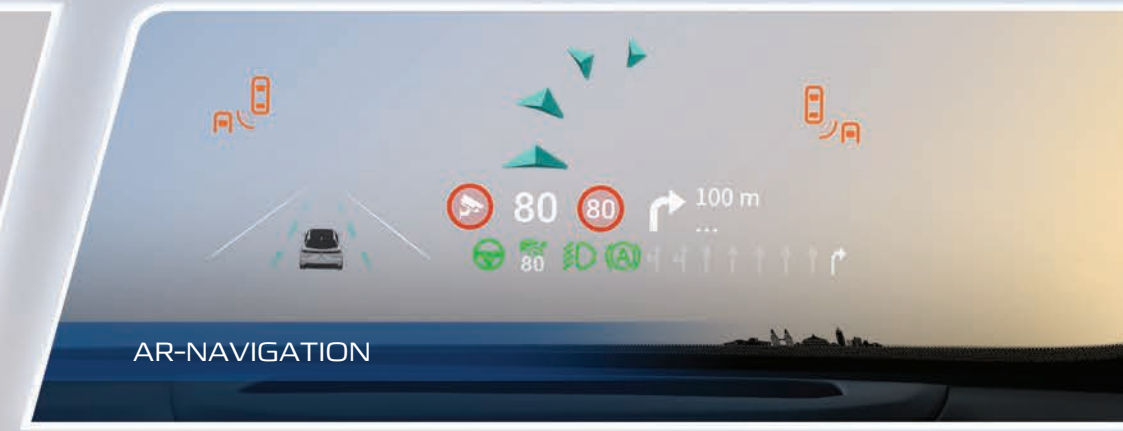

ALL ROUND BATTERY SAFEGUARDING

Providing all round structural protection to keep the battery pack secure and safe in any collision.

IBC DIGITAL BATTERY MANAGEMENT

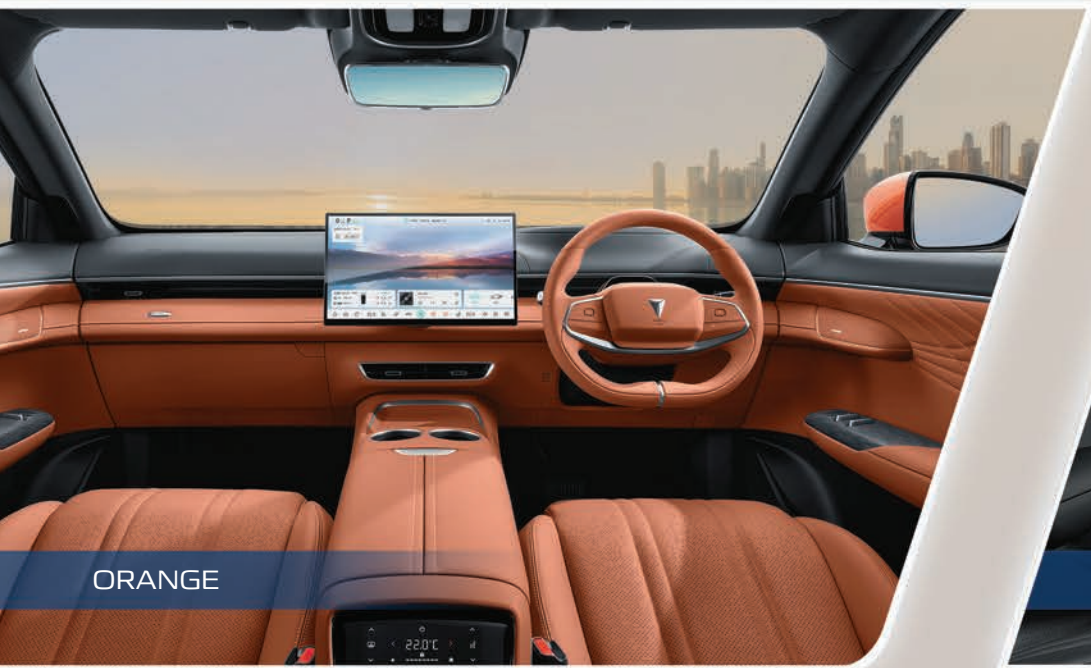

Top-quality Golden Shield Battery with smart monitoring providing safer, durable, and reliable driving experience secured by warranty.

AR-NAVIGATION

Access all essential data without taking your eyes off the road.

PERFECT SHADE FOR EXCLUSIVE LOOK
